## **Macmillan Cancer Support**

*Here's a frightening statistic – One in three of us will get cancer and it's the toughest thing most of us will ever face. If you've been diagnosed with cancer, or a loved one has, you'll want a team of people in your corner supporting you every step of the way. That is exactly what Macmillan Cancer Support does – They provide practical, medical and financial support and constantly push for better cancer care.*
